

Authorization to Share Information with Boys & Girls Club Tutors

student's name

date of birth

name of school

I, _____, authorize school staff to discuss my student's education records, including academic progress (grades and assignments), classroom behaviors, and attendance with his/her Boys & Girls Club tutor.

This information is to be shared and used for the sole purpose of assisting the tutor in his/her support of my student.

I have read this authorization and understand it. My authorization is voluntary. Unless revoked, this authorization is in effect for the 2016-17 school year. A photocopy of this authorization shall be as valid as the original.

relationship to student

Identification method of person providing authorization:

___ driver's license

___ passport

___ government-issued identification

Boys & Girls Club staff member's name

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records created or maintained by a school that receives federal funds. Completion of this document authorizes the disclosure of information from education records and may include information from health records. This authorization allows school district staff to discuss this information only and does not authorize representatives of the district or Boys & Girls Club staff to receive education records.
